

UNIVERSITY OF  
**Nebraska** Policy Talk  
Public Policy Center

**February 24, 2006**

Today's PolicyTalk contains just one item:

The Public Policy Center's "Results for Nebraska, Models for the Nation" Report is completed and back from the printer. The Report provides an overview of the Center's activities over the past few years and indicates some of our future directions. An electronic version of the Report can be viewed at <http://ppc.nebraska.edu/publications/documents/2006PPCReport.pdf>. If you would like a hard copy of the report, please contact Veronica Inlow, [vinlow2@nebraska.edu](mailto:vinlow2@nebraska.edu) or (402) 472-0194.

Many of the people on this list have worked with the Center, and we would like to take this opportunity to thank you for your partnership with us. Without you all and the others who work with us, fund our work, or otherwise provide support and encouragement, our work would not be nearly as enjoyable or effective.
