

Centerpointe Receives 1.9 Million Dollar Grant

2016, December 14, Channel 8 Eyewitness News

Mental health providers in Lincoln are getting a 1.9 million dollar grant..

The grant is to help end chronic homelessness in Lincoln.

Centerpointe, Region 5 and the mental health association will work together..

They'll provide housing, behavioral health treatment, and employment support.

The goal is to give people the support they need to go from homeless to housed, with the ultimate goal of never repeating that cycle again.

The project is ready to start in January.
